Understanding Public Transportation

The Kennedy Center will be conducting an “Understanding Public Transportation” workshops at the American Job Center (formerly CTWORKS) in Waterbury. This workshop will be held on October 29th from 10:00-12:00. We will give information on the transportation options in the area and representatives from local transit agencies will be present to answer any of your questions. This workshop is free and open to the public.

Webinar on Section 5310 Program

The Moving Ahead for Progress in the 21st Century Act (MAP-21) is a funding and authorization bill to govern United States federal transportation spending. As many of the funding parameters have changed from the previous transportation bill, ESPA presents *MAP-21 – The “New” Section 5310 Program*. This session will be presented by Gilbert Williams from the Office of Program Management, Federal Transit Administration. On September 11, Mr. Williams will discuss the 5310 program purpose, apportionment, available funding, eligible projects, eligible recipients/ subrecipients, the role of the designated recipient, program requirements, mobility management etc. <http://www.projectaction.org/ESPANews/tabid/727/token/detail/nid/143/Default.aspx#sthash.Xumhp4Qg.dpuf> - from Easter Seals Project ACTION

CACT Member Highlight

Stephanie Scavelli, *Transportation Planner, HARTransit*

For the past five years Stephanie has dedicated her career focus to building sustainable healthy communities. Since 2013 Stephanie has been the Transportation Planner for HARTransit in Danbury. Her responsibilities include service development, operations planning, community relations and regional transit planning. Stephanie is a key player involved in the development of a regional bicycle transit plan for the Housatonic Valley planning region.

Prior to working with HARTransit, Stephanie managed a community-organized farmers market in Westchester County, NY. As a committed volunteer she has served as an administrator with the Connecticut-Westchester Mycological Association since 2010 in such roles as board member and Vice President. Stephanie is a graduate of SUNY Purchase with a BA in Environmental Studies.

ADA Website

The creation of the website (going live soon) CTADA.gov. CTADA.gov is Connecticut's NEW central location for information on ADA paratransit services in Connecticut. At CTADA.gov you:

- Can print out the state wide ADA paratransit application
- Can complete and send the application on-line
- Find contact information on the ADA paratransit providers in the state
- Find information on the eligibility criteria for ADA paratransit
- Watch the video: "Mobility, Choice, Independence"

Take some time to visit the site and view Connecticut's state wide application.
